GOVT. DEGREE COLLEGE ZANSKAR

An Overview

The college was established in the year 2011 vide Govt. Order No.: 264-Hr.Edu. of 2011 Dated: 29/06/2011 under Centrally Sponsored Scheme and later got functional in 2013 with a total enrollment of 36 students. It is situated at Nerok around 3 Km away from the Padum market. It is known for providing higher education opportunities, offering various undergraduate degree programmes and skill courses to students. The college is the most remotely located in Ladakh around 240 Km away from the headquarters of the two District of UT Ladakh. Since its inception the college witnessed a great expansion and development. Presently the college is offering undergraduate degree programme in Social Science and Science. Earlier till 2019, the college was affiliated with Kashmir University and after the formation of UT Ladakh the college got affiliated with University of Ladakh and all curriculums is prescribed as per the University of Ladakh.

The college possesses a land of 200 kanal and 6 Marlas. It has Academic Block having ICT enabled six classrooms and Administrative Block. This College was included among 22 model colleges of J&K under RUSA 1.0 and got 1.97 Cr funds under the component of Infrastructure Grants to colleges in 2016, able to upgrade the college. Separate Lavatory for boys and girls, Canteen/Caferia, more than 7000 books with library furniture and sports equipment all made possible under the scheme. After formation of UT Ladakh, flow of budget for the development of the college increased many fold as compared to the erstwhile state of Jammu and Kashmir. The College becomes one of the fast growing institutes in the UT Ladakh. Fully equip Science laboratory was established. The college has 25kwp solar plant to meet the regular electric power supply. UT Administration sanctioned seven important projects of the college including passive solar 50 bedded hostel separate for girls and boys, passive solar Science Laboratory Block, passive solar Indoor Stadium Cum Multipurpose Hall, Smart Classrooms, and passive solar Gazetted & Non Gazetted Staff Quarters. All the construction works taking place with desired pace and hopefully will see a colossal transformation in coming few years.

Vision & Mission

“Education is the key to Success in life and teachers make a lasting impact in the lives of their students”

- Solomon Ortiz

Degree College Zanskar was established with the strong intention of fostering a comprehensive strategy for facilitating and promoting higher education in this remote region. It is the single higher seat of learning in Zanskar Region of UT Ladakh. It is one of the colleges in UT Ladakh that is growing quickly. It is turning into a wellspring of women empowerment as 80% female contribute the total students' enrolment.

Vision

- Aim to emerge as a great seat of higher learning and center of excellence in the field of education and skill by disseminating knowledge for human development and welfare.
- To foster dynamic learning environment that nurtures academic excellence, promotes Cultural understanding and empowers students to become socially responsible and competent individuals.

Mission

- Aim to provide career counseling and guidance in every field to the students.
- Aim to provide equal opportunity to the aspirants irrespective of religion, region, caste, creed, sex and ethnicity.
- To keep up upgrading human and infrastructure resource and identify and introduce new emerging courses in the field of science, humanities, technology and management studies.
- To impart quality and value based education to the students while preserving and celebrating the rich culture and heritage of Zanskar.
- To inspire and ignite among the students, the thirst of seeking knowledge, truth, wisdom, spirit of tolerance, brotherhood, volunteerism and scientific temper.
- To develop the qualities of leadership among the students to lead the society.

Why GDC Zaskar?

- ✓ ICT based education.
- ✓ Well-equipped laboratories.
- ✓ Skill Courses other than regular Bachelor Degree Programme.
- ✓ Large learning pool.
- ✓ Exposure and Educational tour.
- ✓ Friendly teaching -learning environment.
- ✓ Well-equipped sports department.
- ✓ Workshop/ Seminars/Guest Lectures frequently conducting.
- ✓ Library and WIFI facility.
- ✓ To and fro bus facility.
- ✓ Collaborative and Cooperative teaching methodology.
- ✓ Personal/ Professional Guidance & Counseling.
- ✓ Nurture hidden potential through various group and individual activities.

Graphic Designer Lab

From the Principal desk

It gives me great pleasure to present the current College Prospectus- 2024–25. This prospectus provides the necessary details about the facilities, opportunities, program, subject combinations, eligibility, and admission procedures for UG courses, particularly to new applicants and to the public in general. I am satisfied to inform, that our College in a joint effort of Ladakh Skill Development Mission (LSDM) and Skill Sector Council presented two Skill courses- “Graphic Designer” and “Hand Embroiderer” to upgrade open position and employability to the students. A measure of 8.24 lakh was authorized by the UT administration for the establishment and advancement of the lab in the session 2023. The

college has completely prepared Graphic Designer lab and offered the course in BG 1st Semester during the session 2023 with an enrolment of 23 students.

From the ongoing session 2024 the college will additionally offering skill Course in “Hand Embroiderer” to the Students. I am pleased to illuminate public that college is likewise going to offer these skill courses to all interested Candidates, dropout students of Zanskar region in addition to the college students.

The college’s beautification and landscaping project, which will improve campus aesthetics and draw students, is also approved by the UT administration. I am very much delighted to inform you that our college has cooperative, energetic and dedicated faculty members. Our college has huge learning pool; including library containing around 9000 books, ICT enabled classrooms, well equipped laboratories, sport facility and free WIFI facility. We are committed to provide the best teaching – learning facilities and committed to nurture the hidden talent through group and individual activities. We are making every effort to provide hands-on training and experiential learning outside of the classroom by organizing educational and exposure tours to various locations. We hope and anticipate that the students, who are our primary beneficiaries, will remain focused on their overall development and will be disciplined, respectful, and concerned about the institution’s assets.

I welcome to the Government Degree College Zanskar (Ladakh) with pride and hopes that your cooperation will assist us in the college’s expansion and development. In addition, I guarantee that the college counseling and admissions committee will always be available to you for your bright future. Once again good wishes for all!!!
